Mobile Safari Tented Camp Itinerary

Private Mobile Tented Camping 8 Nights, Full inclusive package in full bases per person at the cost of \$5200 Including Accommodation in tent, Activities, Meals, government levy, Returned Transfers, Beverages, Camping Fees. Transfer to Victoria falls, Park Fees

Day One Activity : Chobe national park

An early morning game drive takes you to all the key areas Chobe National Park has to offer. We will check out the river front area in the morning and then head back to hotel for lunch. After lunch you will go on a river boat to explore the incredible Chobe River. Here, we expect to see a large number of elephants and buffalos. We will also have plenty of time while on the river to look for birds. All your meals will be served at the hotel.

Day Two Activity : Chobe national park

On this day, after breakfast. After breakfast you will be transferred to Savuti. Due to the difficult road conditions, the drive can take up to five hours. We will have our lunch en-route. Chobe is also known as the “home of elephants”—so get excited! Dinner will be served at the camp

Day Three Activity : Savuti

Enjoy an early breakfast and then prepare to head towards Savuti. This destination is not far in kilometers, but the terrain makes the drive about five hours long. This is a great land for large cats, including lions and leopards. Lunch today will be enjoyed on the road.

Day Four Activity : Savuti

In the morning you will have breakfast on the other side of the Savuti, to experience a change of landscape and see some different vegetation. Lunch will be at the camp. Later, we will drive to see the Bushman rock paintings.

After breakfast in the morning, you will drive across the large open lands of Savuti, making your way toward the marsh. We expect you will see an incredible array of wildlife, including lots of zebras, wildebeests, impalas and others. All your meals will be served at the camp.

Day Five Activity : Moremi Game Reserve

You will have breakfast at the camp and then drive to Moremi, which is situated in the Khwai area. We will also explore much of the Okavango area while we are here. Lunch will be served on the road while dinner will be enjoyed at the camp after our sunset drive in Moremi.

Day 6 Activity : Khwai Concession

After your morning coffee and tea, we will go on an early game drive to explore the area before the sun gets too hot. Our game drive schedule depends on our sightings. If we have good

sightings we will keep going. If not, no need to rush! After the morning drive, all our meals will be eaten at the camp.

Day 7 Activity : Khwai Concession

This will be our last day in Moremi. Start with an early game drive and then return to the camp for lunch and relaxation at 12h00hrs. Lunch will be provided around 15h00hrs and then we will go on an afternoon drive. Dinner and your overnight stay will be at the camp.

Day 8 Activity : Mokoro Time

Enjoy tea and coffee in the morning before your transfer to Maun, where we will spend the next days. Because the trip will take five hours, we will eat lunch along the way. If we see animals during our journey we will be sure to stop - one of the benefits of flexibility!

Day 9 Activity : Maun

Drop off at Maun. So we can recommend you to book your accommodation and the activities that you want to do in Maun by yourself.
